ADDITIONAL COSTS AND WHAT IS NOT INCLUDED

The apartments have been equipped to be a home from home with comfortable living arrangements and all of the equipment necessary to support an easy self-catering vacation. To begin your vacation comfortably, we have provided you with a few basic supplies including toilet rolls, kitchen roll and dishwasher tablets. Once these are used it is a guests responsibility to obtain their own supply.

Aside from the few starting items, we do not supply:

- Oil, Vinegar or condiments such as sugar, salt or pepper

All items are however inexpensive and readily available for purchase from any one of the local supermarkets.

End-of-stay Cleaning

The end of stay cleaning charge is a separate fee payable once per vacation. The cost of end cleaning remains the same regardless of the length of stay.

End cleaning goes towards the cost of turning over an apartment at the end of a vacation and returning the accommodation to it's original condition. The charge does not imply that it is acceptable to leave the apartment in a broken or poor state. Occupants are obliged to return all furniture and equipment to it's original location and make any malfunctions or problems known to us before departure.

Please Note: This fee does not cover damages.

Local Tourist Tax

Tourist Tax or Town Tax is charged by the local authorities at a rate of €2,30 per person and night. The charge is compulsory for those aged 15 years and over at the time of stay in Austria.

BOOKING TERMS, CONDITIONS AND CANCELLATIONS

Naturally, each reservation starts with an enquiry and an offer. When a guest accepts an offer made by us, the accommodation is immediately secured pending a deposit payment. Unless specifically stated, we do not accept bookings without a deposit and any deviation to this would be made very clear in our initial offer.

The deposit should usually be paid within 2 weeks of booking, a shorter term may be set for bookings with an arrival date in the near future. If a deposit is not received in the allotted time the reservation may be cancelled and notification will be sent by email. No further charges would be incurred.

Deposit payments can be made by IBAN, PayPal, online Credit Card or through any of the available online payment agencies such as Wise or Revolut. The deposit equates to 50% the rental fee based on 2 people and without any additional guest fee, end cleaning or tourist tax. The deposit is non-refundable.

Upon receipt of a deposit payment guests receive a full confirmation by email including a copy of the invoice and rental agreement. The balance amount including any additional guest fee, cleaning and taxes is to be settled preferably in Euro cash on arrival. A balance payment by IBAN or any of the aforementioned payment methods can be made by prior arrangement and in which case would be due for settlement one week before arrival.

Cancellations

Should you need to cancel or alter your booking please let us know as soon as possible. All cancellation requests are considered on an individual basis. When no other solution can be found, in the event of a cancellation the following charges will apply :

Cancellation up to 8 weeks before arrival

50% of the base apartment price. Essentially the non-refundable deposit.

Cancellation 4 - 8 weeks before arrival

75% of the base apartment price.

Cancellation less than 4 weeks before arrival

100% of the base apartment price

Base Price = Rental amount for 2 People, without guest supplement, end cleaning or tourist tax

BREAKAGES, DAMAGES AND LOSSES

As a guest of Haus Bellevue you will not be asked to pay a security deposit or cover fee to protect against damage. Instead we value honesty and rely on the integrity of our guests.

Accidents do happen and items are broken. Usually this is no more than a glass, cup or plate and can often occur through a dishwasher cleaning cycle. Guests will not be charged for unforeseen damages such as these! But we do ask please that you advise us of any items that need replacing so that we can maintain our standard of accommodation.

Breakages, damages or losses caused through negligence must however be reported and potentially paid for. All cases will be assessed individually and any charge will be at the cost of replacement or repair.

Please also promptly advise us of any spillages and subsequent staining to furniture and furnishings so that we can minimise the effect. In most cases carpets, furniture, walls, linen, etc., that have something spilled upon them but are treated immediately can be redeemed.

It is our responsibility if an item of equipment is broken or not working. Please advise us of any defect as soon as possible and we will endeavour to repair or replace the item quickly and with as little inconvenience to you as we can.

We ask all of our guests to consider that any damage, fault or loss of apartment property that is not reported will potentially be a problem for another guest. We do our very best to check every item and every function when preparing an apartment for the next occupant, however it is conceivable that things are missed or that we do not have enough time on a changeover day to rectify the problem. By advising us early you allow us to be prepared and help us to maintain our standard of accommodation and service. Thank you for your support and for your understanding!

ARRIVAL

We will contact you approximately 2 weeks before the commencement of your vacation to request your registration information, contact details and to confirm any special requests and/or last minute booking alterations. We will also ask you to provide us with your expected arrival time and establish a line of communication should you be delayed or your plans change. The best form of contact on arrival day is via SMS, iMessage or WhatsApp. Excepting arrival days we are most easily contacted by email.

Our preferred arrival and greeting time is between 4pm and 6pm.

If you expect to arrive later than 6pm please advise us in advance by email, so that we can make suitable arrangements. There may be occasions where we can accommodate an arrival earlier than 4pm, in which case we will clarify this by email.

DEPARTURE

The accommodation must be fully vacated before 10am on the day of departure.

If your planned departure is between 9 and 10am we would like the opportunity to say farewell.

Should you plan a departure earlier than 9am we can make alternative arrangements for the return of the house keys.

Unfortunately we cannot accommodate any departures later than 10am.

In all cases please advise us of your planned departure time so that we can prepare accordingly.

Before departure please return all furniture and equipment to its original location and advise us of any breakages, damages, losses or malfunctions. Thank You!

RULES FOR SMOKING

Haus Bellevue offers non-smoking accommodation and for this reason smoking is not permitted inside the apartments.

However you are welcome to smoke outside of the property and we ask that you do so with consideration for other residents.

We would be grateful if you would not drop cigarette or cigar stubs on the grounds of the property, in the garden or on the pathways. Please also do not leave tin cans and containers that have been used as

ashtrays, outside of the apartment or in our plants pots and plant beds - apart from looking unsightly around the house, on a windy day the containers could litter our grounds and the street.

Instead we are happy to supply you with your own ashtray! If we know that you smoke we will ensure you have an ashtray from the beginning of your vacation. Otherwise please ask and one will be provided for you. Ashtray contents should be emptied into general rubbish.

**SMOKING AREA
OUTSIDE**

**NO SMOKING
INSIDE**

NOISE, LITTER AND A LITTLE CONSIDERATION

Guests of Haus Bellevue enjoy an idyllic and peaceful location where the largest disturbances are caused by summer lawnmowers and winter snow ploughs. Please help us by supporting this ideal!

As hosts you will find that we are very tolerant of all holiday goings-on but must stress that we run a family property promoting a tranquil and private environment. We ask you as our guests to help us achieve this, by showing consideration for other house residents, for us as your hosts and for those who live in our neighbourhood.

Music and Noise

Sound travels unfortunately well throughout the building and also the neighbourhood. Please be considerate of other occupants when playing music in and around the apartment, and keep volume to a reasonable level so that others are not disturbed. In general music and noise whether inside or outside should be moderated after 10pm. Loud music is not acceptable any time and we thank you for your consideration.

Outdoors

Many guests, residents and neighbours spend their evenings outside enjoying the quiet environment. Please consider that if you are enjoying a loud evening outside you could be completely ruining someone else's quiet evening.

This is equally as important during the daytime where, for example, people may be dining outdoors or relaxing in the sunshine. Noise is of course much more acceptable during the day but we ask that you still have regard for well-being of others.

Litter

Please do not drop litter in the garden, on the car park, pathways and street. This includes cans, sweet wrappers, chewing gum and also cigarette and cigar ends. Rubbish should be put into the bins provided and cigarettes stubs should go in to an ashtray. We would be grateful if you would also refrain from leaving bags, cans and other items in our plant beds and pots.

KEYS AND KEY SAFE

Upon arrival you will receive one set of keys for your Apartment. A second set is available upon request.

A key safe has been provided for your convenience. You will find this at the entrance to the apartment, by the door.

The key safe code can be found in the Information Folder.

The key to the ski room can be found hanging on a hook by the entrance to your accommodation.

Please look after the keys and don't lose them. In particular, we ask that you please do not take the ski room key with you but leave it hanging in the apartment until it is needed.

All sets of keys should be returned personally at the end of stay.

Any lost keys will be billed at a replacement charge of €25,- per key!

GARDEN, GROUNDS AND PLAY AREA

When enjoying time in the garden and grounds and for the well-being of all guests and residents, please observe the following garden guidelines...

- Fenced areas are clearly signed and gated. Excepting the children's play area all fenced and gated areas are for private use of house residents.
- Excepting during access please ensure the gates are closed.
- Treat furniture and equipment with care and use only in the manner for which they were intended. Please return items such as deck chairs, seat cushions and utensils to their original location after use.
- Children should be supervised by an adult. We do not accept any responsibility for accident or injury caused through misuse of the play area.
- Please be considerate of our garden, the plants, flowers and ornaments including solar lights and security cameras.
- The border stones around the plants and flower beds are not to be used as toys for children.
- The trees lining the car park have a delicate watering system in place. Please do not step in the area where the trees are planted or use it as an access to the garden.

We thank you and are most grateful for your consideration.

The use of equipment, furniture and the facilities provided in and around Haus Bellevue is entirely at your own risk!
